

2012 Newport EMS Conference

Thursday Pre-Conference Workshops

SportMedic

Thursday April 12, 2012

8:00 AM – 5:00 PM

Audience: All EMS Personnel

Are you in a rural area that stands by at football games? Do you volunteer to help with sports at the local school? This workshop will help you better assess and manage common sports injuries

Trauma and Medical Scenarios "Hands On"

Thursday April 12, 2012

8:00 AM – 12:00 PM

Audience: All EMS Personnel

Use your skills, accept the challenge. Challenging and fun, refreshing and renewing your real life skills

BRAVO Game show Challenge

Thursday April 12, 2012

1:00 PM – 5:00 PM

Audience: All EMS Personnel

Have fun while being challenged against others attending. Both fun and entertaining! Kind of like jeopardy without Vanna!

PALS Renewal

Thursday April 12, 2012

8:00 AM – 5:00 PM

Audience: ALS Personnel

PALS Renewal. Must come with a current PALS Book.

Crew Resource Management; Putting it to Work!

Thursday April 12, 2012

8:00 AM – 12:00 PM

Audience: All EMS Personnel

A combination of lecture and scenarios will help you understand the concept of crew resource management in the effort to reduce EMS errors.

Leadership Skills for the Up and Coming

Thursday April 12, 2012

1:00 PM – 5:00 PM

Audience: All EMS Personnel

This workshop provides knowledge and competencies to permit current and aspiring managers and team leaders to excel in their profession. As a participant, you will take home the skills, know-how and tools to get the very best of every employee, and make a real difference in the effectiveness and productivity of your team.

Friday Pre-Conference Workshops

Pediatric Trauma Assessment and Skills Workshop

Friday April 13, 2012

8:00 PM – 12:00 PM

Audience: All EMS Personnel

If you want to refresh your pediatric basic trauma skills, this is the workshop! Participants will get plenty of hands on practice with some scenario based training reinforcing pediatric trauma assessment and packaging skills.

Pediatric Medical and Airway Skills Workshop

Friday April 13, 2012

1:00 PM – 5:00 PM

Audience: All EMS Personnel

This four hour workshop will focus on the assessment skills needed to manage common pediatric emergencies. Skills to be practiced include airway management, and the team approach.

Attend both pediatric workshops and receive a PEPP Card

Intermediate Cardiac Life Support

Friday April 13, 2012

8:00 AM – 5:00 PM

Audience: EMT-Intermediates

Back by popular demand, this "ACLS" for Intermediates includes lectures in Pharmacology, EMT-I protocols, and EKG recognition. Hands on skill review includes; IO's, medical and cardiac scenario's, EKG rhythm recognition, drug administration, and airway management. Also any current EMT-I issues or topics will be discussed.

ACLS Renewal

Friday April 13, 2012

8:00 AM – 5:00 PM

Audience: ALS Personnel

ACLS Renewal. Must come with a current ACLS Book.

High Fidelity Manikin Simulation Lab

Friday April 13, 2012

8:00 AM – 12:00 PM

Audience: All EMS Personnel

The delivery of health care in the United States is becoming increasingly complex. The constant ramping up of health care technologies, coupled with an increased focus on patient safety, efficacy, and evidence-based medicine are part of the challenge, but add the infrequent use of skills.

Come take part in realistic scenario based training.

High Fidelity Manikin Simulation Lab

Friday April 13, 2012

1:00 PM – 5:00 PM

Audience: All EMS Personnel

Repeat of the morning workshop
